### **MORTGAGE ADVICE**

SPF Private Clients (SPF) is an award winning mortgage brokerage and has been helping clients of Savills with their mortgage requirements since 1997. Its mortgage advisers are experts in all areas of property finance and have a team dedicated to new-build mortgages. They have access to a wide range of mortgage options including some which cannot be accessed via other brokers or by approaching lenders direct. This enables them to select the most suitable and cost-effective solution for your circumstances. What's more, they offer a professional, personal and discreet service and take the stress out of the whole process by managing the mortgage from start to finish.

SPF can assist all types of purchasers including international buyers, first-time buyers, property investors and expatriates. As your mortgage is likely to be your biggest monthly outgoing and interest rates have risen recently, it makes sense to speak with a mortgage broker. Some mortgage offers are only valid for three months so if it will take longer than that for your property to be ready, SPF will make sure you have a valid mortgage offer in place prior to completion.

SPF can do all of the sums for you and as a client of Savills they can offer you a free, without obligation initial consultation. If you would like to take advantage of this offer please do not hesitate to contact a member of the team on [insert phone number] or at [insert email address]

**YOUR HOME MAY BE REPOSSESSED IF YOU DO NOT KEEP UP REPAYMENTS OF YOUR MORTGAGE.**

A fee of up to 1% of the loan amount is payable. For example, if we arrange a loan of £100,000 the fee could be £1,000. The exact fee charged will depend on the amount of work undertaken. SPF Private Clients Limited is authorised and regulated by the Financial Conduct Authority (FCA). The FCA does not regulate some forms of buy-to-let mortgages.
